Motion made by Tom Goldberg

Seconded by Bud Newton

Article carried as amended.

**ART. 5** To see if the Town will vote to raise and appropriate One Thousand Seven Hundred and Fifty Dollars (\$1,750.00) as matching funds for the purpose of having the Town's land inventoried and a long range forest management plan established. The U.S. Dept. of Agriculture's Soil Conservation Service has set aside the other 50% of the cost, under practice SP44.

Motion made by Nathaneal Keeler

Seconded by Don Cunningham

Motion carried

**ART. 6** To see if the Town will vote to merge the Town Forest Committee into the Lempster Conservaiton Commission in order to facilitate financing their activities. During the first year the seven members would be composed of four members of the Conservation Commission and three members of the Forest Committee with unexpired terms.

Motion made by Everett Thurber

Seconded by Rudy Adler

After much discussion, question was called by Tom Moore, a two thirds voice vote carried the question. The Article was voted upon and passed.

**ART. 7** To see if the Town will authorize the Selectmen to harvest timber on Town land and to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to come exclusively from the revenue of timber sale for the Conservation Commission to carry on its functions.

Motion made by Frances Starkweather

Seconded by Don Cunningham

Motion carried

Amendment made by Mary Grenier, seconded by Mark Adams to read that the Highway Department be reimbursed for work to be done for the Town Forest.

Amendment carried.

**ART. 8** To see if the Town will vote to establish a Conservation Commission Fund and to allow the whole or any part of the money appropriated to the Conservation Commission in any year to be placed into the Conservation Commission Fund and to

accumulate from year to year.

Motion made by Everett Thurber

Motion carried Seconded by James Grenier

**ART. 9** To see if the Town will authorize the Selectmen to apply for, accept and expend money from the State, Federal and other government or private sources which may become available during the fiscal year, pursuant to RSA 31-95-b.

Motion made by Everett Thurber

Seconded by Doris Adler

Motion carried

**ART. 10** To see if the Town will vote to appropriate Five Hundred Dollars (\$500) for liability insurance to cover the police department members.

Motion made by Don Cunningham

Seconded by Tom Moore

Motion carried

**ART. 11** To see if the Town will vote to appropriate One Thousand Dollars (\$1,000) for strengthening and necessary repairs to the floor of the Miner Memorial Library.

Motion made by Don Cunningham

Seconded by Bob Jacobsen

Motion carried

**ART. 12** To see if the Town will vote to raise and appropriate the sum of Six Hundred and Fifty Dollars (\$650) to pay for the dumping of residential septage.

Seconded by Bud Newton

An amendment was made by Jim Richards, seconded by John Fabrycky to remove the following phrases "at the water treatment plant of a cooperating municipality.

Motion carried as amended.

**ART. 13** To see if the Town will vote to raise and appropriate Two Thousand Dollars (\$2,000) for the repair and reconditioning of Town owned public buildings and to establish a capital reserve fund for that purpose.

Motion made by Henry Frank

Seconded by Mark Adams

Motion carried

**ART. 14** To see if the Town will vote to appropriate Three Thousand Five Hundred Dollars (\$3,500) for the purpose of reconditioning the 1958 International Fire Truck No. 33, and to authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Account.

Motion made by Phil Tirrell

Seconded by Phil Tirrell

An amendment was made by Bud Newton

Seconded by Phil Tirrell

An amendment was made by Bud Newton, seconded by Phil Tirrell to read:

To see if the Town will vote to appropriate Three Thousand Five Hundred Dollars (\$3,500) for the purpose of reconditioning the 1958 International Fire Truck No. 33, provided a legal contract between the Fire Department and the Town of Lempster is drawn up within 30 days of this meeting, and to authorize the withdrawal of this amount from the Federal Revenue Sharing Account.

Motion carried as amended.

**ART. 15** To see if the Town will vote to appropriate Four Thousand Dollars (\$4,000) for work on the Town's Comprehensive Master Plan and to authorize the withdrawal of this sum from the Federal Revenue Sharing Account.

Motion made by Mark Adams

Seconded by Ralph Keeler

### **Motion carried**

**ART. 16** To see if the Town will vote to authorize withdrawal from the Federal Revenue Sharing Fund for use as a sestoff against the following debt service.

Principal on Long Term Note \$3,463

Interest on Long Term Note 338

Motion made by Bud Newton

Seconded by Daniel Lovejoy

### Motion carried

**ART. 17** To see what the Town will vote to continue the Town Forest Committee and to take any necessary action thereto.  
Article passed over - cared for in Article 6.

**ART. 18** To see if the Town will vote to authorize the Selectmen to allow a one percent (1%) discount of taxes if paid within ten days of issue. Motion made by Everett Thurber.

Seconded by Fran Jacobsen  
Motion carried

To transact any other busin

meeting.

**ART. 19** To transact any other business that may legally come before said meeting.

Bob English wished to thank Horace Cragin for his many years of service to the Town. Meeting responded with a long applause. Rudy Adler added that he has been a big help to the Selectmen over the years.

Oliver Pinter wanted to thank the Fire Department for all their hours of sacrifice for the Town. Meeting again responded with applause.

Rudy Adler also thanked Jim Bowser for the extra special care which he took of the cemetery this year as Sexton.

There being no further business the Moderator declared the meeting adjourned. Time 10:22 p.m.

Motion made by Mark Adams

Seconded by Daniel Lovejoy

Polls for Town Offices closed at 9:05 p.m.

Respectfully submitted      Barbara Weir  
Town Clerk

ART. 5 To see if the Town will vote to authorize the selectmen to harvest timber on Town land and to appropriate the sum of five thousand dollars (5,000), to come exclusively from the sale of said timber, for the Conservation Commission, to accumulate in their fund from year to year and to carry on the functions of said commission.

ART. 6 To see if the Town will authorize the Selectmen to apply for, accept and expend money from the State, Federal and other government or private sources which may become available during the fiscal year, pursuant to RSA 31-95b.

ART. 7 To see if the Town will vote to appropriate six hundred and fifty dollars (650) to pay for the dumping of residential septage.

ART. 8 To see if the Town will vote to adopt written welfare guidelines as proposed by the Board of Selectmen. Chapter 380 of the Laws of 1985 requires the Town to adopt written welfare guidelines prior to April 1, 1986. (copies of full text of the proposed guidelines are on file with the Town Clerk.)

ART. 9 To see if the Town will vote to authorize the Selectmen to cost-share with the landowners the expense of them hiring a professional forester to oversee timber harvest on their lands within the town. Said cost-share amount shall be determined by the Selectmen and shall not exceed 10% of the actual timber yield tax revenues paid by the landowner to the Town; and further to see if the Town will vote to raise and appropriate one thousand (1000) dollars for this purpose.

ART. 10 To see if the Town will authorize the Selectmen to convey to the Yurgeles, from the Perkins Lot, the additional acres (4.4) needed to make-up the twelve (12) purchased by the Yurgeles in 1971. And to further authorize the Selectmen to draw up and execute such maps and documents as may be necessary.

ART. 11 To see if the Town will vote to oppose the burial, storage, transportation, and production of high level radioactive waste in the town of Lempster, N.H. and State of New Hampshire; and to call upon Congress to conduct an independent investigation with full public participation into the feasibility and prudence of the U.S. Department of Energy's (D.O.E.) present plan to dispose of radioactive waste, and into the D.O.E.'s competence to carry out such a plan.

ART. 12 To see if the Town will vote to appropriate the sum of twelve hundred dollars (1200) for contribution to the Task Force of the Town of Hillsbrough against locating a secondary High Level Nuclear Waste Repository at the Cardigan Pluto Site in N.H.

ART. 13 To see if the Town will vote to appropriate three thousand (3000) dollars for work on the Town's Comprehensive Master Plan and to authorize the withdrawal of this sum from the Federal Revenue Sharing Account.

ART. 14 To see if the town will raise and appropriate five thousand (5000) dollars for the repair and reconstruction of the bridge at Crescent Lake.

ART. 15 To see if the Town will vote to authorize the withdrawal from the Highway Capital Reserve the sum of five thousand (5000) dollars for the purchase of a Loader.

ART. 16 To see if the town will accept for the Cemetery Trust Funds, the sum of one hundred (100) dollars in the name of Edward Kosotsky.

ART. 17 To see if the town will vote to accept for the Cemetery Trust Funds, the sum of two hundred (200) dollars in the name of Theodore Wirkkala.

ART. 18 To see if the Town will raise and appropriate the sum of twelve hundred dollars (1200) toward a survey at Long Pond.

ART. 19 To see if the Town will vote to raise and appropriate the sum of five thousand (5000) toward the construction of a transfer station and toward the closure of the landfill. Said sum to be placed in a trust fund as provided by RSA Chapter 31-19a, to be expended as deemed necessary by the Selectmen. The Selectmen

are further instructed to execute, in the name of the Town, any and all documents necessary for the creation of said trust.

ART. 20 To see if the Town will vote to appropriate the sum of four thousand dollars (4000) for the purpose of updating FIRE DEPARTMENT PERSONAL PROTECTIVE EQUIPMENT to meet N.F.P.A. and O.S.H.A. requirements and to authorize the withdrawal of said amount required for this purpose from the Federal Revenue Sharing Account.

ART. 21 To see if the Town will vote to appropriate the sum of two hundred and fifty dollars (250) for Sullivan County Hospice, Inc. in support of their program of service to the terminally and seriously ill throughout Sullivan County.

ART. 22 To see if the Town will vote to authorize the Selectmen to allow a one percent (1%) discount of taxes if paid within ten days of issue.

ART. 23 To transact any other business that may legally come before said meeting.

GIVEN UNDER OUR HAND AND SEAL THIS 24th DAY OF FEBRUARY IN THE YEAR OF OUR LORD NINETEEN HUNDRED AND EIGHTY-SIX

Interest	1,940.96
Deposit	14,550.00
Total	37,336.11
Withdrawal	1,500.00
Balance	\$35,836.11

## TOWN CLERK'S REPORT FISCAL YEAR ENDING DECEMBER 31, 1985

### RECEIPTS:

Car Registrations	\$29,007.00
Dog Licenses	\$499.00
Less Fees	57.50
	441.50
Marriage Licenses	39.00
Other Fees	6.00
TOTAL RECEIPTS	\$29,493.50

## REPORT OF THE BUILDING INSPECTOR

Twenty eight Building Permits were issued in the Town of Lempster in 1985. These included seven one family houses and four mobile homes. The total estimated valuation of construction was \$239,095.

Building Permits are required for all new construction including modular and mobile homes. Applications for permits may be obtained at the Town Office or by contacting the building inspector. If there is a question whether a permit is required for your particular project please call me for clarification. A phone call or note is considerably cheaper than a fine for failing to comply with Town requirements.

Respectfully submitted,  
Rudolf A. Adler, Building Insp.

## REPORT OF TOWN AUDITOR

Fiscal Year Ending Dec. 31, 1985

### Statements of Revenue Expenditures Encumbrances and Fund Balance

Available Funds, Jan. 1, 1985	\$21,007.13
Add: Revenues	
Entitlement Payments	14,550.00
Interest	2,017.54
	<hr/>
	\$37,574.69
Less: Expenditures	
Fire Dept.	1,500.00
	<hr/>
Available Funds, Dec. 31, 1985	\$36,074.69

February 24, 1986

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the Town of Lempster. I find them correct in all respects.

Barbara Chadwick  
Auditor

## FIRE CHIEFS REPORT

If Prometheus was worthy of the wrath of  
heaven for kindling the first fire  
upon the earth, how ought the Gods to  
honor the men who make it their  
Professional business to put it out?

John Godfrey Saxe,  
American Journalist Poet  
and Lecturer, ca. 1850

For the year ending Jan. 30, 1936

Lempster Fire Dept. - One Dodge Graham fire truck with 100 gal. pump -  
answered 14 alarms -

The fire department voted that a committee of two, besides the secretary, be  
instructed to draw up a letter to be sent to President Roosevelt asking for a gift of  
money for a fire house.

1945

Budget \$200.00 - Purchase of a fire truck \$1.00

1955

Fire equipment to be housed at Nethersoles if door is big enough. Fire engines  
were not kept in a heated building until Jan. 1956.

1965

7 fires - 1 mutual aid call - Total man hours 55

1975

9 fires - Total man hours 453 - First woman firefighter on the Lempster roles.

1985

21 fire calls - 16 rescue calls - 495 hours spent on training - 1036 hours spent on  
some form of work - 292 hours spent at meetings - 810 hours spent on  
administration.

The fire department has been very busy this year. We have spent an average of  
60.4 hours per week on some type of duty for the department.

Firefighters from our department have attended several fire training programs  
this year. We have had 9 firefighters certified in the use of breathing apparatus  
by the N.H. Fire Training Service.

6 firefighters were trained in off road vehicle rescue by Rescue Training  
Associates of Delaware.

Fire officers attended a program on the handling of hazardous materials put  
on by the Claremont hazardous material team in cooperation with the National  
Fire Academy.

5 members of the department took a course in Fire Behavior, taught by N.H.  
Fire Training Service.

10 people were either certified or recertified in C.P.R.

It is important to note that many of the fire schools will no longer accept  
applicants that do not have turnout gear that is N.F.P.A. or O.S.H.A. approved.

Many, many hours of work went into the insulating of the new addition to our  
building. Also many hours were spent running wires and putting up wall board.

It is not complete at this time but we hope to finish this project soon.

Revenue sharing funds that were raised last year were put to good use refurbishing our engine 33. With the addition of a 300 g.p.m. portable pump this will become our first new engine on the mountain.

The all wheel drive tanker is currently housed in the new addition. The ability to keep this truck under cover in a heated building gives us a much needed tanker.

The Rescue Squad's vehicle is also now housed in the fire house. This vehicle responds to all medical emergencies and structure fires.

Because of our excellent response record, under two minutes, we have been called to travel farther to assist in fires or to cover others stations. We have assisted Goshen, Unity, Marlow, Acworth, Washington, E. Alstead, and Gilsum.

In return we have requested mutual aid from Goshen, Unity, Marlow, and at a recent double fatal accident Newport was requested to assist in the extrication of trapped victims.

In recent years there have been many questions in regard to who owns the fire equipment and whether the fire department could close up and sell off all the equipment leaving the town hanging high and dry.

The fire department is a private corporation under the laws of the state of N.H. This means that the department can receive funds, like any other business, and perform a job, as contracted, and that the town has no rights, other than those spelled out in our mutual contract.

The members of this non-profit business, if you will, felt that it would not be right for the town to put money into a business with no hopes of ever regaining some of its investment, in the event that anything ever happened to the Fire Department (business). So in 1979 when this corporation was established and the question had to be answered as to what would happen in case the business was to dissolve it was agreed that all assets and equipment of the Lempster Fire Department Inc. would be turned over to the town of Lempster. This information is on file with the secretary of the state of N.H.

The number to report a fire or a medical emergency is 542-5155. Phone stickers are always available for the asking.

The fire department meets the first Tuesday of each month at 7:00 p.m. Thanks to everyone who helped to make this another safe year.

Respectfully submitted,  
Philip J. Tirrell, Fire Chief

Checkbook Balance December 31, 1985 \$225.01

\*As of Jan. 1, 1986 Fire Dept. has not received the last part of the budget for 1985. (\$384.45)

## LEMPSTER FAST SQUAD REPORT

The members of the squad spent a total of 529 hours of training to stay up on emergency medical and rescue techniques.

The squad purchased two CPR training manikins. The CPR manikins are in memory of Ted Wirkkala.

The FAST Squad responded to 37 calls this year 16 of which were medical emergencies. We spent 419 hours at fire calls and 89 ½ hours at medical emergencies.

We The Lempster FAST Squad would like to thank the people of Lempster who supported our efforts this past year.

Respectfully submitted,  
Robert Olds

## POLICE DEPARTMENT TOWN OF LEMPSTER

Last year we had a fairly active year for police work in the town of Lempster. Covered were several false burgulary alarms, breaking and entering reports, a couple of which were solved that were done by juv. There were 8 accidents, several involving the assistance of the Fast Squad/Fire Dept. and at this time I would like to thank them for their assistance, it was greatly appreciated.

The school kept us busy this year with new policy of checking on the children that are not in school when the parents have notified the school that their child would not be there, also there were several juv./parent problems dealt with.

There are approximately 300 hours of patrol done both during the day and at night. Most of the calls received were at night and a lot of time is spent on the phone for people who want information, consultation or death messages delivered or someone concerned because a relative had not answered the phone or had not been seen for a while and would like to have them checked on, domestic problems also kept us occupied.

Long Pond was active again last year, there was an officer at the beach almost every day for 1 to 3 hours at a time and there was also someone there during the evening on most nights. Most people were cooperative and there was not as many dog or party problems as in the past.

Dog calls were running the same as last year, 15 dogs were picked up with only 2 being put to sleep.

Respectfully submitted  
Edward J. Bruno, Sr.

## HISTORICAL SOCIETY REPORT

The Lempster Historical Society sponsors an historic house tour on Old Home Day. In 1985 we were fortunate to have open house at the old Allen Farm, now owned by Alix Clarke, on the lower end of Dodge Hollow Road. The Society appreciates the cooperation of home owners who act as hosts for these events.

An exhibit table was also set up at the hall with photos and old papers of interest. Visitors were encouraged to contribute information on names, dates and former home owners in town.

Deborah Beede, Henniker, an authority on preserving textiles and papers, spoke at the July meeting. This information will be useful when old town records are sorted and boxed.

The town pound, built in 1790 by John Way, was cleaned up, and some work has been done on a cemetery map.

Everyone with an interest in Lempster past and preserving it for the future is urged to become involved with the Historical Society and its projects. Meetings are held on the 4th Wed. of Jan., April, July, and Oct. at 7:30 in the Library at East Lempster.

## LEMPSTER CONSERVATION COMMISSION 1985 REPORT

1985 has been a year of transition for the commission as it combined with the Town Forest Committee. Goals and information for each committee has been integrated under the Conservation title nicely.

A successful town clean-up day was held on April 27 with 16 people participating. Our annual birdwalk took place on May 12.

A good deal of time this year was spent assisting the selectmen in researching Long Pond boundary lines.

A ten year forest management report on the Perkin's and Hurlbut lots was received. A report is expected on the commission.

Expenses for 1985 were \$40.00 to the N.H. Association of Conservation Commission. \$370.00 was received from the sale of timber making the balance as of Jan. 1, 1986 \$564.68.

It is the desire of the commission to develop a strong group of citizens willing to educate themselves and in turn disperse information to the towns people on the potential problems facing rural towns in N.H. Examples: ground water pollution, forest management methods, etc.

Conservation Commission meetings are always open to the public. We welcome visitors and/or any ideas, suggestions you may have on our towns conservation.

We meet at the town offices (E. Lempster) on the second Tuesday of the month at 7:00 p.m.

## REPORT MINER MEMORIAL LIBRARY

Miner Memorial Library marked its 20th anniversary this past summer with a celebration on July 24th. There have been many changes since the day twenty years ago when volunteers carried box after box of books from the second floor of the Town Hall, down Wolf Hill to the "new" library. Continuing with our fix-up and spruce-up program, in May more support was added under the floor to compensate for the weight of books. A new Flag and flagpole were donated, as were four new window boxes and a generous supply of plants to fill them. Through the efforts of the Friends of the Library we have a new table and a lovely new clock.

Almost 600 titles were added this year, a great many from a trip to the Five College Book Sale in May, and numerous book fairs and yard sales, where many books can be found for very low cost. Doubleday and Childrens Choice Book Clubs and trips to Dartmouth Book Store round off our collection with new material and titles from the Best Seller List.

After completing a course in cataloging last spring, Emily has made an encouraging start on the organization and cataloging of our collection. Sarah Adams was a volunteer last summer to free some time for the librarian to work on this project.

The library participated in Old Home Day with an open house on Sunday morning and in the Church Fair with a table of books and white elephants.

The Library has been used for meetings by several of the Master-Plan sub-committees, the Historical Society, the Friends of the Library and of course the Trustees of the Library.

## PLANNING BOARD REPORT 1985

The Planning Board approved two subdivisions, a six-lot subdivision of Alfred Geluing land on Hard Pond Road and a three-lot subdivision of Charles Newton land on School Road, and one annexation, of Don Cunningham land on Dodge Hollow Road, in 1985. There were several changes in personnel on the Board during the year. Lincoln Bedell was appointed to replace Abraham Hunter who resigned in March, Myrton Edson was appointed to replace Tom Goldberg, who resigned in May, until the March 1986 election. The remaining one year of Goldberg's term is to be filled via the 1986 election. Fran Jacobsen was appointed alternate to the Board because of the vacancies created by these other changes.

Ralph Keeler attended a law lecture in Lebanon, from which the Board received several helpful guidelines for the orderly operation of their proceedings. Mark Adams and Don Cunningham attended a seminar on Master Planning, which has also been helpful to the Board.

Most of our time and energy has gone into preparing the town's Master Plan. In February we distributed a questionnaire to the towns people, polling their attitudes about subjects for the Master Plan. We then formed subcommittees who formulated goals for the various chapters of the Plan. These goals were based upon the results of the questionnaire. In May we held a public meeting to acquaint the citizens with the results of the questionnaire and in October we held second public meeting summarizing the progress of the various subcommittees working on the Plan. Both meetings served to acquaint many of the towns people with the Master Planning Process.

By years' end four chapters had been drafted. These were Population, Economic Development, Historic Resources and Open Space. The other chapters were in various stages preliminary to drafting. Public hearings should start prior to Town Meeting on the chapters already drafted, and the entire plan should be finished sometime in 1986.

On behalf of the Board I wish to thank very much all those who have contributed time and effort in any way, be it much or little, toward our Master Plan. The Master Plan Committee meets every 4th Monday at 7:30 p.m. and the Planning Board meets every 2nd Monday at 7:30 p.m. Both meeting are at the Selectmen's office in East Lempster and are open to any who wish to attend.

Respectfully submitted,  
Ralph Keeler, III  
Chairman

## **SULLIVAN COUNTY REGIONAL REFUSE DISPOSAL DISTRICT 1985 ANNUAL REPORT OF ACTIVITIES**

After six years of discussion and planning by your District Committee, a 200 ton per day waste-to-energy facility is now well under construction in Claremont, New Hampshire.

A revised twenty year waste disposal contract was signed with Signal Environmental Systems on April 12, 1985. The contract provides that Signal will be the owner and operator of the facility and is responsible for up to \$7.6 million in financial contributions in the form of equity or debt secured solely by Signal. An additional \$18.15 million in Industrial Revenue Bonds were sold by Signal through the New Hampshire Industrial Development Authority on August 12, 1985.

Clark-Kenith, Inc. began construction of the facility for Signal during May 1985. Construction is expected to be completed during the Spring of 1987, at which time the District municipalities must begin delivering waste to the facility.

Hydrogeologic modeling for the 78 acre ash disposal site in Newport is now complete and engineering and permit applications will begin early in 1986. The ash disposal site must also be in operation by the Spring of 1987. Funds for construction are included in Signal's bond issue even though the ash disposal site is owned by the District.

The New Hampshire Air Resources Commission is in the final stage of adopting hydrogen chloride emission standards for the facility. This will necessitate some changes in the design of the air pollution control system and increase in the disposal fee paid to Signal. Negotiations are underway with Signal to determine the appropriate control system and costs.

During 1986 the District will be working on development of a recycling system which may be fully utilized by member municipalities. A full-time recycling manager is included in the budget for 1986.

The District will also be working with member municipalities to assist them in the development of a transportation system necessary to deliver waste to the facility when it becomes operational.

If individuals have questions concerning any aspect of the Project they should not hesitate to contact their District Committee member or the Project office at (603) 543-1201.

Submitted by,  
Theodore R. Siegler  
Project Manager

## **NEWPORT AREA HOME HEALTH AGENCY REPORT TOWN OF LEMPSTER**

In 1985 the Newport Area Home Health Agency excelled in the provision of Skilled Nursing, Physical Therapy, Occupational Therapy, Speech Therapy, Home Health Aide services and Maternal and Child Health services. 1985 also saw growth in the Agency's ability to serve the region. The Town of Washington

requested care for its citizens and has become part of Newport Area Home Health Agency's service area. A 24 hour call system was instituted making nurses available to patients evenings and weekends if necessary. Staff was trained and In-Home IV Therapy began being provided for appropriate patients. Home Health Agency staff went to Newport Hospital 3 to 5 times each week to participate in Discharge Planning and collaborate with their hospital colleagues to promote continuity of care from home to hospital and from hospital back home. Staff also visited patients in the Green House at Newport Hospital and other area hospitals whenever patient care required.

The Newport Area Home Health Agency also continued its concern for the welfare of area children through its Well Child and Dental Clinic Programs, participation in WIC, administration of the Child Safety Car Seat Program, and the Child Abuse and Neglect Program funded through the United Way. Janet Bornstein RN was promoted to MCH Coordinator.

The Agency overcame many staff changes in 1985. Janett Merritt, valued MCH Coordinator, died tragically in May and is sorely missed. Staff nurses Catherine Baffa, Donna Charlebois, and Shirlee Murgatroy left the Agency and Edward W. Hamblin, Administrator retired. Despite extraordinary change the Agency is now fully staffed with 6 registered nurses, 2 home health aides, contracts for therapists, and three administrative staff. We are prepared to continue expanding the quantity and quality of care to patients in our service area.

I wish to thank the staff, Board of Trustees, and Clinic Volunteers who make the provision of excellent patient care a reality.

Charen L. Urban, MA  
Administrator

Skilled Nursing .....	54
Physical Therapy.....	18
Health Promotion Visits .....	4
MCH .....	7
Skilled Nursing Office Visits .....	2

A total of approximately \$3,200 worth of services were provided by Newport Area Home Health Agency to residents of the Town of Lempster. In addition services not separated by Towns were:

- 66 Children seen in Dental Clinics
- 250 Children seen in Well Child Clinic
- 265 People attended Blood Pressure clinics
- 70 People were immunized at Flu Clinic

The above are the statistics for your town on Agency activities for the year 1985.

Mr. Horace Cragin is on the Board of Trustees representing your Town.

Mr. Cragin and Charen Urban, Administrator will be happy to discuss any questions or concerns you may have.

## LETTER OF TRANSMITTAL

Board of Selectmen  
Town of Lempster  
Town Office  
Lempster, New Hampshire 03606  
Members of the Board:

Submitted herewith is the report on examination of the accounts of Alice Bruno, Town Clerk of the Town of Lempster for the period from January 1, 1981 through February 25, 1982. This examination was made by this Division in accordance with your request.

One of the enclosed audit reports must be given to the Town Clerk for retention as part of the Town's permanent records.

### AUDIT PROCEDURE

Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

### COMMENTS

In accounting for the permits sent to the Town Clerk from the Department of Safety we found that the Town Clerk used 261 permits that were not recorded in her cashbook. These permits were issued for a total worth of \$4,813.50. The Town Clerk made a remittance to the Treasurer of \$2,055.50 on February 12, 1982. This remittance represented money collected from July to October 1981. The Town Clerk also remitted \$706.00 on February 25, 1982. A balance of \$2,417.00 is still owed the Town as of February 25, 1982. This balance represents various motor vehicle permits sold from November 1979 through February 1982, in the amount of \$2,052.00 and Cash on Hand at January 1, 1981 in the amount of \$365.00.

R.S.A. 260:31 recodified to R.S.A. 261:165 provides that the Town Clerk should keep an account of money received for motor vehicle permits. This R.S.A. also requires that the Town Clerk remit on a weekly basis to the Treasurer.

The Town of Lempster Town Clerk violated this R.S.A. in that she did not record all permits in her cashbook and did not remit all money collected to the Town Treasurer. In fact, some of the moneys not remitted dates back twenty-eight months to November 1979.

Mrs. Bruno also did not collect motor vehicle fees as required by R.S.A. 260:27-V. This R.S.A. provided that "...no registrant shall pay less or more than 12 months at each stipulated mill rate, whether such 12 months extend over one or more registration periods.....". The Town Clerk did not collect 12 months at each mill rate on renewal registrations.

Also there were numerous mathematical errors in computing the permit fees.

The total of the mathematical errors and errors in millage rates was \$998.00. This amount has been included in Schedule A as being owed to the Town of Lempster.

### CONCLUSION

The provisions of Chapter 71-A, Section 21, require that the auditor's sum-

mary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Schedules contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however must be published in its entirety.

MUNICIPAL SERVICES DIVISION  
DEPARTMENT OF REVENUE ADMINISTRATION

## UPPER VALLEY - LAKE SUNAPEE COUNCIL

The Upper Valley - Lake Sunapee Council is a public, nonprofit voluntary association of towns and cities in the Upper Valley and Lake Sunapee areas. Our thirty-one (31) communities are in two states and five counties.

The Council consists of a Board of Directors and a professional staff. Each town or city annually appropriates funds for the Council's operation and sends two representatives to participate on the Board of Directors. The Board elects officers, adopts the annual work program and budget, and develops policies and positions on issues that are important to UV-LSC communities.

The Upper Valley - Lake Sunapee Council is the official organization that brings towns and cities within our region together. By bonding together and pooling their resources, local governments have a highly trained, professional staff available to them for a wide variety of services. Areas of expertise include land use planning, master planning, economic and community development, water quality management, transportation, landscape architecture, housing, capital budgeting, historic preservation, downtown revitalization, solid waste planning, recreation and fiscal and environmental impact analysis. The Council also serves as a collective voice for these towns and cities in dealings with state and federal governments, thereby protecting and furthering the needs and interests of our communities.

Council Staff members include Robert Varney, Executive Director; Vicki Smith, Senior Planner; Lisa Mausolf, Historic Preservation Specialist; Gregg Lantos, Transportation Planner; Tad Redway, Landscape Architect and Planner; Melinda Artman, Community Development Coordinator; John Olmstead, Housing Rehabilitation Specialist; Susan Elder, Economic Development Specialist; Jim Klinger, Draftsman; and Andrea Adams, Joan Austin, and Lori Brown, Secretaries. These staff members offer a wide range of expertise available to our communities.

The Council has been busy working on a variety of regional programs during the past year. The following is a brief summary of some of our regional activities:

- \* provided administrative and planning services to the Upper Valley Solid Waste District, a bistate district with 15 member communities;
- \* developed regional septicage management plans which will become components of the solid waste plans for the Sullivan County, Upper Valley and Pemi-Baker Solid Waste District;
- \* provided continuing assistance to the regional transit operators, and worked closely with the State Highway Department to develop a comprehensive highway planning program;
- \* continued the regional historic preservation program, including historic surveys, national register nominations and historic preservation plans;
- \* continued the Sullivan County Economic Development Program to retain and expand employment opportunities in Sullivan County;
- \* continued work on the Lake Sunapee Management Plan;
- \* co-sponsored another successful Household Hazardous Waste Collection Day, groundwater protection seminar and Municipal Law Lecture Series;
- \* provided economic, population, housing and other data to communities, organizations, banks, real estate firms and consultants for use in fiscal studies,

market analyses and grant applications.

As requested by communities, the Council prepared applications for state and federal funds, evaluated development proposals, prepared amendments to local zoning, subdivision, site plan review and other local regulations and provided mapping, drafting and other planning assistance.

The UV-LSC has also provided a number of specific services to the Town of Lempster over the past year. In the spring, the Council prepared and secured a \$293,400 grant on behalf of the Town for the rehabilitation of some of the worst housing conditions in Lempster. The program is the first of its kind in the State of New Hampshire and, upon its implementation this year, will serve as an example for other rural communities throughout the State. The Council also has been very busy working with the Lempster Planning Board and Master Plan Committees on the development of the Master Plan for the Town of Lempster. A townwide community attitude survey, a town base map, existing land use map and several draft chapters of the Plan have been completed. The Council also is assisting the Planning Board with a revision of the Town's subdivision regulations to bring them into compliance with the State regulations. Other activities the Council has been involved in include, the development of a strategy to dispose of Lempster's septic wastes, a public slide presentation on septic disposal methods, and an historic resources survey and preparation of the nomination of the Lempster Street residential district to the National Register of Historic Places.

The Council's staff of professionals stands ready to assist your community in addressing the planning and growth management issues which you will face during the coming year. We also encourage you to become more familiar and involved with the Council, since we are essentially an arm of local government addressing your needs.

**REPORT OF THE SUPERINTENDENT OF SCHOOLS  
LEMPSTER, NEW HAMPSHIRE**

TO THE CITIZENS OF THE GOSHEN-LEMPSTER COOPERATIVE SCHOOL DISTRICT:

Two additional programs were initiated at the school this year. Due to an affirmative vote at the School District meeting last year, a physical education program was started this school year. It is a program from which the students are benefiting greatly. The students will now have a similar background in this area as the other students have in the local high schools.

The second addition to the school curriculum is a Chapter I math remedial and reinforcement program. This program is similar to the reading program under Chapter I which we have had for many years. Chapter I is a federally funded program.

During the past few years, the School Board has worked hard to develop a salary schedule which puts the Goshen-Lempster School District in line with surrounding communities. This, of course, is very important because it allows the School Board to be competitive with other districts in the selection and employment of the very best teachers possible.

There are several people who should receive special recognition for their service to the School District:

1. Mr. and Mrs. Charles Newton have for many years operated the school buses in a very efficient, safe manner. Mr. Wayne Hart became the new bus contractor in September, 1985.
2. Mr. John Bonfiglio continues to serve the District as the teaching principal. The school operates a good educational program largely due to the effective, experiences leadership which Mr. Bonfiglio provides.
3. Mr. Robert Seavey, who will be leaving the School Board in June, has been an interested, effective School Board Member for the past five years. The school is in good hands when we have School Board Members of Mr. Seavey's caliber.

Respectfully,  
John H. Sokul  
Superintendent of Schools

## PRINCIPAL'S REPORT

Nineteen Eighty Five was a year of significant change and growth at the Goshen-Lempster School. The introduction of new programs and the addition of faculty members have contributed to increased services for students. A CHAPTER I Math Program (federally funded) was initiated in September. The program is a full-time operations conducted by Mr. Ronald Purmort, formerly the CHAPTER I Reading instructor (a position now filled by Mrs. Lilian Bryce) CHAPTER I Math serves as a remedial and reinforcement resource for students who are having difficulty with their math lessons.

September also brought the inception of Goshen-Lempster's first formal Physical Education program (a state mandated service for which the school has been in non-compliance). P.E. Instructor Judy Thackaberry is creating and implementing a curriculum which is aimed at developing health-related fitness (cardiovascular endurance, muscular endurance, strength, body composition, flexibility) and skill-related fitness (agility, coordination, balance). Research findings indicate that physical education enhances the development of the whole child (social, emotional, mental and physical being). Through cooperation and teamwork, physical activities may be channeled as an emotional release as well as a recreational activity. A student's intellect becomes rounded through problem solving while utilizing game rules and judgment to produce strategies.

New staff members (not mentioned) on board in September were: Ms. Sandra Lord (grade 3/4), replacing Ms. Janet Johnson; Ms. Jean MacWilliams (grade 6,7,8 English & Social Studies), succeeding Mr. Stephen Harrison; and Ms. Lori Pedley (Special Education), replacing Ms. Holly Blake. In addition, the student transportation service (formally rendered by Mr. & Mrs. Charles Newton) is now being provided by Mr. and Mrs. Wayne Hart of Unity. Gratitude and appreciation go out to Mr. and Mrs. Newton from all of the school personnel and surely from all of the parents who, for years, have been able to depend on an impeccable school bus service.

Many activities, assemblies and trips have rounded out the educational experience this past year. Last Winter our students were visited by two International 4-H Youth Exchange (IFYE) participants (representing Egypt and India) who gave slide presentations and displayed artifacts from their host countries. Last spring, seventh and eighth graders took a first-hand look at the American democratic system as Joel Maiola (congressional aide to U.S. Congressman Judd Gregg) provided direct telephone communication between the students and Congressman Gregg in Washington, D.C. The students received answers to their questions on U.S. - Soviet relations, federal budget issues, nuclear war, and acid rain.

Field Trips take the classroom out into the world and bring the world into the curriculum. Some of the trips that were conducted this year were:

Grades 6-8 (May)

Sturbridge Village  
(a Nineteenth Century Community)

Grades 6-8 (Nov.)

Boston Museum of Science  
(and Hayden Planetarium:  
program on Halley's Comet)

Grades 3-5 (Nov.)

Fairbanks Museum and  
Planetarium, St. Johnsbury, Vt.

Grades 1-3 (Dec.)

Colby Sawyer play: Rainbow  
Christmas by Tomie De Paola  
(Bunraku, Japanese style, puppet  
show about the first Christmas)

Mrs. Rudenfeldt organized music assemblies this past year and prepared students for the N.H. Southwest Junior High Music Festival, conducted by Mrs. Rudenfeldt. Goshen-Lempster students chosen for the festival were: Jennifer Adler, Stephanie Faulkner, Barbara Harrison, Travis Hodgdon, Kenneth LaQuire, Katie Pavlik, and Heather Yurek. At Christmas time, an afternoon assembly of music performed by students was attended by many parents and citizens. In addition, last May the Goshen-Lempster School held its first evening Spring Concert. Mrs. Rudenfeldt directed performances by the Sixth, Seventh and Eighth Grade chorus; the Fourth and Fifth Grade on recorders; and the Eighth Grade class in a series of variety skits.

On an evening in May, the Goshen-Lempster School held its first school-wide Science Fair, with each student submitting a project. As parents perused the various demonstrations, illustrations, and experiments, they voted on the projects, choosing the best within three categories. The Parent-Teachers' Club (PTC) provided cash prizes and certificates of honorable mention (1st prize - \$15, 2nd prize - \$5, 3rd - Certificate of Award). Students whose projects were distinguished were:

Grade 1 & 2

1st - Daniel Johnson (Plants at Different Stages of Growth)

2nd - Bonnie Stevens (Different Kinds of Wood)

3rd - Paul Johnson (Electromagnet)

Hon. Mention - Hillary Smith (Pulleys)

Grade 3, 4, & 5:

1st - Tina Hanson (Green House)

2nd - David Hamilton (Salt Garden)

3rd - Jennifer Chadwick (Volcanoes)

Hon. Mention - Edward Anderson (Coal Mine)

Grade 6, 7, & 8:

1st - Barbara Harrison & Jennifer Adler (Generator)

2nd - Katie Pavlik & Korrie Onella (Water Cycle)

3rd - Jason Strout (Constellations)

Hon. Mention - Mary Smith & Kim Depoyster (Volcanoes)

On the evening of June 18, the Goshen-Lempster School graduated the largest eighth grade class ever. Of the twenty-four graduates, the students taking honors were: Barbara Harrison (Valedictorian), Jennifer Adler (Valedictorian), and Katie Pavlik (Third Honors). The Reverend Lilian Warner gave the invocation and the benediction; School Board Chairman Robert Seavey issued diplomas; and P.T.C. President Darlene Purdie and Principal Bonfiglio presented awards. A reception for the graduates was prepared by the P.T.C. and mothers of the Seventh Grade students.

The P.T.C. conducted a Mascot/Logo contest among students in grades 4, 5, 6, 7, and 8. The members decided that it was time that the school had an emblem; they also decided that the emblem should be designed by a student. With the

help of Mrs. Jan Struble, entries for a mascot/logo came flooding in. The choice was difficult; the design chosen was a sketch of an Owl with the caption "Goshen-Lempster Kids are Wise.", entered by Christy Hurd (grade 5). Other entrants that were seriously considered were: Gary Caron, Jaime Ficket, Wayne Hebert, Shannon Hopkins, Travis Hurd and Lauren Winterholer. Various items including stickers and shirts with the Goshen-Lempster Mascot/Logo will be produced and made available through the Parent-Teachers' Club.

In September, a pioneer project entitled Elementary School/Conflict Management began with a target population of fifth and eighth graders. The project, created by Nurse Marilyn Sherman and Principal Bonfiglio, was sponsored through grants from the New Hampshire Public Health Agency and the Sullivan County Mental Health Association. The facet of the program geared for fifth grade students consisted of a standard model dealing with values clarification of social issues. The eighth grade portion of the project was a first time event consisting of sessions of group therapy in the classroom. The design was to help young adolescents to evaluate their perceptions of themselves in relation to their environment and to help them learn how to deal with the often intense stress brought on by puberty and peer pressure. The goal was to concentrate on the students' making and asserting their decisions when confronted with such issues as alcohol, tobacco, drug abuse, and sexuality. The group counselor guided the students as they evolved their own topics through group discussion. As the topics came to light, various group strategies were utilized (role playing, etc.) in scrutinizing the dynamics of the issue in regards to stresses in "street situations". Skills of forethought, communication, decision making, coping, and assertiveness were developed. Upon initial evaluation of the project (data from pre and post student surveys), the statistical analysis implies twenty to fifty percent increases (group medians) in knowledge base and ability for decision making on each issue.

In conclusion, there are many facets of support that keep the Goshen-Lempster Cooperative School humming along. There are conscientious community members who volunteer their time to work with students in the classroom or to work with support groups such as the P.T.C. There are dedicated staff members carrying out the various school functions with a high degree of proficiency. There are School Administrative Unit 43 personnel who are taking care of upper level management procedures; Assistant Superintendent Peter Hutchins, succeeding Mr. Paul Linehan, has been instrumental in guiding G-L into a successful school year. Finally, the School Board must be commended for maintaining the delicate balance of ensuring a quality education for the children of the community while bearing the ultimate responsibility to the taxpayers for the provision of the cost effective and cost efficient program. The zeal of all of these groups and people is the fuel which propels us on our quest for quality.

Respectfully submitted,  
John Bonfiglio  
Principal

## **REPORT OF THE DIRECTOR OF PUPIL PERSONNEL SERVICES**

Special Education services are available to every student in the Goshen-Lempster Cooperative School District. The Goshen-Lempster School has a pupil placement team consisting of the child's classroom teacher, nurse, special education services, they team together with the parents, plan and develop an individualized educational program designed to meet the educational needs of the student.

The Goshen-Lempster Cooperative School District has twenty handicapped students. Approximately 70% of these students receive their special education services in the resource room located in the Goshen-Lempster School. Most of these students have specific learning and language disabilities. The remaining 30% attend special education programs at Keene, Claremont, and Newport High School.

This year a new Elementary Mentally Retarded program was developed to serve the children from School Administrative Unit #43 who are between the ages of six and eleven. These students were previously placed in School Administrative Unit #43 Pre-School Program located on the campus of Colby-Sawyer College in New London. This new program is located at Richards School in Newport and provides special education services within a small class setting.

I want to thank you teachers, parents, and School Board Members for your continued support of our exceptional children. I encourage you to visit our programs and see first-hand the excellent work our teachers are doing in educating our special children.

Robert B. Prohl  
Director of Pupil Personnel Services

### **AUDITOR'S CERTIFICATE**

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the Treasurer of the School District of Goshen-Lempster of which the above is a true summary for the fiscal year ending June 30, 1985, and find them correct in all respects.

August 9, 1985  
Betty Murray, Auditor

**SCHOOL WARRANT**  
**THE STATE OF NEW HAMPSHIRE**  
**NOTICE: Polls open from 3 - 8 p.m.**

To the Inhabitants of the Goshen-Lempster School District, qualified to vote in District affairs:

You are hereby notified to meet at the Goshen-Lempster Cooperative School in Lempster on the 15th day of March 1986 at 3 o'clock p.m. to act upon Articles 1,2,3 and 4, the meeting to be recessed and opened again at 7 o'clock p.m. to act upon the remaining Articles in the Warrant. (Articles 5 through 9.)

**ARTICLE 1.** To choose a Moderator for the ensuing year.

**ARTICLE 2.** To choose a Member of the School Board from Lempster for the ensuing five years.

**ARTICLE 3.** To choose an Auditor for the ensuing year.

**ARTICLE 4.** To hear reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

**ARTICLE 5.** To see if the District will vote to raise and appropriate the sum of \$641,646.00 as recommended by the School Board, for the support of schools, for the payment of salaries of School District Officials and Agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of available income estimated at \$35,650.00.

**ARTICLE 6.** To see if the School District will vote to raise and appropriate \$13,200.00 for the salary, supplies, equipment and support of public kindergarten.

**ARTICLE 7.** To see if the District will vote to establish and create a capital reserve fund for the purpose of capital improvements for the Goshen-Lempster Cooperative School, under RSA Chapter 35, to be held in custody by the trustee of the trust fund from Lempster and to determine whether the District will vote to raise and appropriate the sum of \$5,000.00 to be placed in said capital fund.

**ARTICLE 8.** To see if the District will authorize the School Board to appropriate receipts from Federal lunch reimbursements, tuition, gifts, and other receipts from miscellaneous sources, in addition to the original appropriation for the school lunch program, general expenses, equipment and improvements.

**ARTICLE 9.** To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS at said Lempster this 20th day of February 1986.
